

INFORMATION ALERT- APRIL 8, 2020

Re: Extension of Suspension of Skill Building Services

Lapeer Team Work, Inc. Families:

In response to the latest Executive Order Issued Tuesday, April 7, 2020 by Gov. Whitmer extending the State of Emergency; we are extending the suspension of skill building programming until at least 8:00am Thursday, April 30, 2020 or unless directed otherwise by our governing agencies.

Community Living Supports (CLS), our “essential” programming, will continue with extreme precaution. Employees continue to complete Health Evaluations, record their temperatures before each shift, and ‘wash-in, wash-out’ of every room. We were graciously gifted medical masks for CLS direct care workers to assist in protecting employees and persons served.

Lapeer Team Work Staff will continue to periodically reach out to our trainees and staff via telephone to check-in and keep spirits lifted. We are exploring telecommunication service delivery options with the assistance of area experts and new Medicaid service guidelines issued in response to COVID-19. We are committed to prioritizing the health and safety of the individuals we serve, their families, and our staff. If you have any questions or concerns please contact the office at 810.664.8504. Thank you for your continued support.

Sincerely,

*Kaylee Hilgendorf*

Kaylee Hilgendorf, Operations Director
